The Cat Did What?

New Chicken Soup for the Soul book showcases great stories and supports cat rescue

COS COB, Conn. – Chicken Soup for the Soul has always been known for its entertaining books about cats and dogs, but they are part of a larger effort, a company mission to support the work of animal shelters and to promote adoption of cats and dogs. You will read many inspirational and entertaining stories in *Chicken Soup for the Soul: The Cat Did What?* from people in all walks of life who have found new meaning and joy in their lives by adopting and fostering cats.

You'll also read about cats that demonstrate surprising intuition about the needs of their humans, cats that change people's lives, and cats that teach their "owners" important life lessons. You'll also read dozens of really funny stories about the mischievous things that the little rascals do. It seems like every cat owner can't help but smile, even when relating his or her cat's most dastardly deeds!

You'll undoubtedly recognize your own cat's characteristics when you read about the affection and devotion between cats and their human families in *Chicken Soup for the Soul: The Cat Did What?* (**Chicken Soup for the Soul Publishing, LLC, Amy Newmark, August 19, 2014, 978-1611599367, \$14.95**). And most importantly, the stories in the book make the point over and over again—shelter cats and abandoned cats make great pets! They add so much value to our lives, and when we adopt them we save them from a grim future.

The story contributors run the gamut from "cat ladies" to converted "dog people" but they all share a common thread—an appreciation of our feline friends and a sense of wonder at how they enrich our lives. And you might even pick up a few great tips to get the most from your relationship with your own cat.

Chicken Soup for the Soul has always provided financial support to shelters and animal welfare organizations. This book is not only filled with entertaining stories, but by adding this book to your library or giving it as a gift to a fellow cat lover, you will join Chicken Soup for the Soul in supporting the American Humane Association, which will receive the royalties from this book!
