The Dog Did What?

New Chicken Soup for the Soul book showcases great stories and supports dog rescue

COS COB, Conn. – Chicken Soup for the Soul has always been known for its entertaining books about dogs and cats, but they are part of a larger effort, a company mission to support the work of animal shelters and to promote adoption of dogs and cats. You will read many inspirational and entertaining stories in *Chicken Soup for the Soul: The Dog Did What?* from people in all walks of life who have found new meaning and joy in their lives by adopting and fostering dogs. Many of the 101 entertaining and inspirational stories in this new collection are about the amazing dogs that people have adopted from shelters and the ways in which they have enriched the lives of their new families.

You'll recognize your own dog's characteristics, whether adopted from a shelter or not, when you read about the love and devotion between dogs and their human families in *Chicken Soup for the Soul: The Dog Did What?* (Chicken Soup for the Soul Publishing, LLC, Amy Newmark, August 19, 2014, 978-1611599374, \$14.95). You'll meet dogs that save lives, dogs that demonstrate surprising intuition about the needs of their humans, and dogs that teach people important life lessons. You'll be inspired by the wonderful volunteers and professionals who have found new meaning and joy in their lives by adopting and fostering sweet, trusting dogs who just want a human to love. You'll also read dozens of really funny stories about the mischievous things that our little rascals do. It seems like every dog owner can't help but smile, even when relating his dog's most dastardly deeds!

Most importantly, the stories in the book make the point over and over again—shelter dogs and abandoned dogs make fabulous pets! They add so much value to our lives, and we save them from a grim future. You'll undoubtedly enjoy these stories from your fellow dog people and you might even pick up a few great tips that improve your relationship with your own canine companion.

Chicken Soup for the Soul has always provided financial support to shelters and animal welfare organizations. This book is not only filled with entertaining stories, but by adding this book to your library or giving it as a gift to a fellow dog lover, you will join Chicken Soup for the Soul in supporting the American Humane Association, which will receive the royalties from this book!
