Bring Hope & Miracles into Your Own Life

John Edward introduces Chicken Soup for the Soul's 101 amazing tales of faith and divine intervention

COS COB, Conn.— After the Sandy Hook, Connecticut school shooting, a distraught mother vacationing in Florida prays that her son Jesse, one of the victims, is with Jesus. Minutes later, a small airplane appears overhead, having just written “JESSE & JESUS” in the sky. After a debilitating fall, an 89-year-old woman’s doctors say she’ll never walk again. She prays for the strength to prove them wrong, and does. Miracles of all shapes and sizes are happening every day, all around us. You’ll read about these and many more in *Chicken Soup for the Soul: Hope & Miracles* (Chicken Soup for the Soul Publishing, LLC; Amy Newmark and Natasha Stoyhoff; Feb. 10, 2015, 978-1-61159-944-2, \$14.95).

In his foreword, world-renowned psychic medium, popular television host and bestselling author John Edward writes, “The personal stories you’ll read here about hope, faith, answered prayers and divine intervention are to me all about one thing—our connection to a higher power or divine source.” He continues, “Once you make that connection, miracles await you like a new world awaiting discovery,” and he concludes, “I’m grateful for each and every one of them.”

Natasha Stoyhoff and Amy Newmark share their own stories of grace and gratitude, from Natasha’s grandfather who missed boarding the Titanic by 20 minutes, to her friend Jamie whose malfunctioning alarm clock caused him to miss a deadly train wreck, to her former roommate whose late-arriving babysitter kept her from her desk in the World Trade Center on September 11, 2001. Amy points out that her father missed Pan Am 103, the flight from London that was blown up by terrorists over Lockerbie, Scotland. These stories prove that you never know when an accident or inconvenience is really a blessing in disguise. As Natasha says, “You can call it coincidence, luck, or fate. We prefer to think the odds are with us that we each get one fabulously epic and divine intervention in our lifetime that saves us.”

These 101 inspiring tales demonstrate how miracles can arrive when and how we least expect them. They offer glimpses into the lives of regular people who found themselves in extraordinary, unexplainable situations, their prayers answered and their lives forever changed. It’s about the anonymous angels who touch our hearts and save our lives, and the astonishing power we can find within ourselves.
