Father knows best: Chicken Soup has the stories to prove it

New story collection offers fatherly lessons, family bonding, and more

COS COB, Conn. – Whether it is finding the right balance of nurture and discipline, sizing up a daughter’s first boyfriend, or showing a son how to fish, dads play a vital role in any family. As a homework assistant, baseball coach, and overall fountain of knowledge, fathers seem to know everything – at least, they would like to think so. But many children admittedly lose touch with Dad over the years, forgetting the pearls of wisdom he passed on. For these individuals, it may be time to reflect on the memories their fathers had a hand in creating.

Chicken Soup for the Soul: The Wisdom of Dads (Chicken Soup for the Soul Publishing, LLC, 978-1935096184, September 2008, \$14.95) is a collection of stories celebrating Dad, with accounts from sons and daughters about their relationship with their fathers, and fathers about the special moments with their kids. It is part of the new “101 Best Stories” series by the new publisher of Chicken Soup for the Soul books. With refreshed cover designs and interior layouts, books in the “101 Best Stories” series offer the Editor’s favorite tales and poems submitted in the 15-year history of Chicken Soup for the Soul, reflecting the brand’s excitement and new energy on this memorable anniversary.

“My father gave me the fortitude, the perseverance and the will to overcome difficulties many years ago,” writes *Chicken Soup for the Soul: The Wisdom of Dads* contributor Don Didio, about his father who taught him to play golf. “When I needed him most he was always there. He still is.”

With topics ranging from “The Power of a Father’s Love” to “Taking Dad’s Advice,” *Chicken Soup for the Soul: The Wisdom of Dads* offers stories about fatherhood, being a single parent, grandfathers, unexpected reunions, heartfelt goodbyes, and more. In addition, it is also a heartwarming and inspirational read for anyone who wants to revisit the lessons passed down from parent to child, through touching stories that illustrate Dad’s love.

“On Father’s Day I always reflect on what I’ve learned about fatherhood. I’ve learned that it is not dependent on biology or even raising a child. Fatherhood is a matter of the heart,” writes *Chicken Soup for the Soul: The Wisdom of Dads* contributor Sherry Lynn Blake Jensen Miller about her adoptive father, Bob. “Bob’s gift from the heart will warm my soul for eternity.”
