## See the angels in your life

*Chicken Soup for the Soul shares miraculous stories of faith, answered prayers and divine intervention*

**COS COB, Conn.** – Whether you call them angels, guardians, or guides, they touch our lives in powerful ways. *New York Times* bestseller author Gabrielle Bernstein felt that as soon as she started reading ***Chicken Soup for the Soul: Touched by an Angel***. “I immediately felt reconnected to my spiritual presence,” she writes in her foreword. “While reading the very first story, I got chills all over.” It turns out that Gabrielle knew the subject of that story—Scarlett Lewis. The story is about how bestselling author and journalist Natasha Stoyneff came to work with Scarlett on a memoir about the messages she was receiving from her six-year-old son, who was killed in the Sandy Hook school shooting. Natasha took on the assignment when she discovered the grieving mom’s name was Scarlett, the code word that Natasha’s friend Norris Mailer had set up with her before she died. And Scarlett’s mom, who was standing by the phone when Natasha called, reported that she had just read Norris Mailer’s memoir. It was one divine connection after another!

You’ll read that and 100 other amazing stories in ***Chicken Soup for the Soul: Touched by an Angel*** (**Chicken Soup for the Soul Publishing, LLC; Amy Newmark; Foreword by Gabrielle Bernstein; Oct. 7, 2014, 978-1611599411, \$14.95**). In this collection of 101 miraculous stories of faith, divine intervention, and answered prayers, real people share their incredible personal experiences with angels.

“We all have the capacity to connect to a presence,” Gabrielle writes. “Our loving guides are working through us at all times. This book will remind you to listen to those guides, to heed your inner voice and to pay attention to any messages that come your way.” That’s what Johanna Richardson did late one night when she was driving home from work. She felt an overwhelming urge to visit her husband’s grandmother. Shortly after Johanna arrived at the nursing home, her husband showed up too, having felt that same urge in the middle of his night shift. A few hours after their visit, Grandma passed away. “My husband and I were deeply grateful that we had just been with her and had one more chance to say, ‘I love you,’” Johanna says. All because they’d paid attention to the messages they each mysteriously received.

“Let this book help you find power when you feel powerless,” Gabrielle Bernstein says. “As you turn each page, remember that you are never alone. Remember that you are always *Touched by an Angel*.”
